

Obtaining Visa Letters

We appreciate that if you or your guests are coming from outside the U.S. to attend the Spring Meeting that you may require a visa to enter the U.S. We can provide a standard letter from the ABA Section of Antitrust Law confirming the reason why you or your guests wish to enter the country and requesting that a visa is issued promptly.

We can only provide visa letters for delegates whose conference registration fees have been paid in full and are not from countries embargoed by the U.S. Treasury Department's Office of Foreign Control. If we have already supplied you with a visa letter for your guest(s) and the name of that guest subsequently changes we can only provide another visa letter upon receipt of the original. The ABA reserves the right to refuse to issue visa letters at its discretion.

The ABA will provide a full refund of registration fees for delegates whose request for visa was denied.

To obtain a visa letter, please get in touch with us by emailing muic@staff.abanet.org.
