The Best Seminar for Real Lawyers

LARRY RICE

Friday, July 31, 2009 at 3:45 pm

Hyatt Regency Chicago, Wrigley, Bronze level West Tower.

Come see why he has been described as
"America's Best Family Law and Law Practice Management Speaker".

For over 30 years as a lawyer, Mr. Rice has observed first hand the working of a successful law practice. He organized, published and presented these observations for the entertainment and education of lawyers who see real clients with real problems.

Who should attend?

If your law practice management problem is that your accounts receivables are out of hand again,
I feel your pain and I have a plan.

If you have a strong sense of decorum and crave abstract theoretical lectures on the fine points of law,
this is not for you.

If you have a good sense of humor and want to improve your practice,
come on in and we can have a good time.

Mr. Rice limits his lectures to ten lectures a year. To reserve him as a speaker, contact
Sarah Beth Cohen at (901) 526-6701 or scohen@ricelaw.com
